

ETHICAL POLICY AND SUSTAINABILITY OF THE CLUBRELAX PROJECT BY ALESSANDRO SPECIALE

As part of our commitment to advancing sustainable tourism, we encourage our tourism partners to improve their sustainability performance by providing them with the guidance below.

- § Ensure applicable legal permits are in place
- § Respect local leadership / traditional governance structures; their permission was obtained for visits to take place
- § Ensure insurance is in place for guests and team
- § Identify health & safety risks, implement management systems, and provide appropriate safety equipment
- § Ensure enough team members are available in case of emergency
- § Monitor activity area conditions (including weather) in advance & during the activity
- § Be familiar with activity area and ensure that navigation and communication tools are in good working order
- § Ensure CBT activity is developed through extensive consultation and training process
- § Train and employ community members to manage CBT activity
- § Ensure CBT activity only shares those aspects of local life that community members are comfortable to have shared
- § Establish committee / similar to oversee tourism development
- § Manage, monitor, and report tourism impacts to community at least annually
- § Maximise local economic benefits through employment and supporting local hosts
- § Avoid single use & disposable items, provide adequate waste collection facilities (or pack out what you take in), and pick up rubbish in the area
- § Be waterwise and take pro-active measures to use water sparingly
- § Minimise energy used in the activity
- § Provide information in advance about your sustainability actions, activity accessibility, what to expect, and what to bring with
- § Manage group size to minimise impacts on people & the planet
- § Obtain written confirmation, e.g., via indemnity, from participants that they are aware of activity risks
- § Brief participants about do's and don'ts, safety, what to expect, applicable etiquette / conduct to be respectful of, and logistical considerations before the activity starts
- § Share information about local nature and culture along the way
- § Facilitate opportunities for meaningful exchange with local people
- § Show respect for the land, waterways, wildlife, and others in the area, ensuring that local residents are not disturbed
